Brief Report of Online Webinar titled “Accelerator/Incubation – Opportunities for the Students and Faculties – Early Stage Entrepreneurs” organised by Department of Mechanical Engineering and Institution’s Innovation Council, Vinayaka Mission’s Kirupananda Variyar Engineering College Salem on 28th July 2021

The Department of Mechanical Engineering and Institution’s Innovation Council of Vinayaka Mission’s Kirupananda Variyar Engineering College Salem organised and hosted an online webinar titled “**Accelerator/Incubation – Opportunities for the Students and Faculties – Early Stage Entrepreneurs**” on **28th July 2021**. The online webinar using virtual online platform Microsoft Teams commenced at 11.00AM. 73 participants attended the programme scheduled in forenoon 11.00 AM to 1.00 PM.

Prof. Dr. C.Arunkumar, IIC - President welcomed the Principal, Resource Person and the participants. Prof. Dr. R.Sasikumar, Principal, Vinayaka Mission’s Kirupananda Variyar Engineering College Salem had described about the event and highlighted the opportunities available for the students and faculties to become an entrepreneur to participants.

The resource person explained in detail about the various stage of the Entrepreneur cycle and explained the reason for the failures. He also highlighted the various business opportunities available and the value addition that can be carried out in the various food processing products. Then he explained how to prepare the Business Plan report and the various financial schemes provided by the nationalized banks under state and central government.

The session ended at 01.00 PM with thanks to resource persons, participants, organisers and all supporting staff by Prof. S.Raja, Assistant Professor and Innovation Ambassador.
